

**North Buncombe Blackhawks
Athletics / Business Partnership
2025–26 Season**

Dear Blackhawk Community Partner,

Greetings from the Hawk Club! As we gear up for another exciting year of North Buncombe athletics, we are reaching out to invite you to join us in supporting our student athletes through our **2025–26 Sponsorship Program**.

The North Buncombe Hawk Club, established in 1984, is the official booster club for North Buncombe High School athletics. We are a 100% volunteer-driven organization dedicated to enhancing the athletic experience for our students. Our mission is simple: provide the financial and community support necessary to allow our athletes and programs to thrive. Last year alone, thanks to the generosity of businesses and individuals like you, the Hawk Club contributed over \$30,000 directly to our teams.

Your sponsorship helps cover essential needs—uniforms, equipment, meals, travel expenses, and coaching stipends. It also supports special moments, like helping us provide state championship rings to our Lady Blackhawks 4x100 relay team. Without your help, many of these achievements would not be possible.

We believe in building lasting, mutually beneficial partnerships. That's why we've designed sponsorship packages that not only support our programs but also offer valuable exposure for your business throughout our community. From signage at athletic venues to digital recognition and more, our sponsors gain visibility among hundreds of local families, students, and fans.

The following pages outline our **2025–26 Athletic Sponsorship Packages**. Whether you're a first-time supporter or a returning partner, we hope you'll join us in continuing this proud tradition of excellence and Hawk Pride.

Thank you for your ongoing support. Together, we can make a difference for our athletes, our school, and our community.

GO BLACKHAWKS!
